Why be a sponsor of the GLTE? As a sponsor you'll receive promotion in all of our printed and electronic pieces before, during, and after the GLTE. Your name will appear on-site at the GLTE in front of an estimated 7,500 attendees and will be sent out in printed and electronic form to over 20,000 Green Industry professionals*.

Gain visibility to decision makers from the entire Great Lakes region in all segments of the Green Industry including: Landscape Management firms, Landscape Contractors, Nursery, Perennial Plant Producers, Retail Garden Centers, Christmas Tree Growers, Sod Producers, Sports Turf Managers, Golf Course Superintendents, Professional Lawn Care Operators, Schools and Municipalities, Arborists and Foresters that practice Urban Forestry, Arboriculture and Park Managers, and Suppliers to all of these segments.

In addition to being promoted, your sponsorship dollars go directly towards reducing costs, thus allowing us to offer show-enhancing experiences for the attendee.

For full promotion in all GLTE promotional materials, we need your commitment by September 22, 2009, but will continue to accept sponsorship commitments up until the GLTE and will promote your firm in the months preceding and following the GLTE.
