

Please join us for STUDENT DAY!!!

Wednesday, January 6, 2010
DeVos Place, Grand Rapids, MI

We invite your university/school to attend and expose your students to the myriad of opportunities that the Green Industry has to offer. If a picture is worth a thousand words imagine the possibilities of 'real experience'.

- ◆ A specially designed 'Student Program' will begin promptly at 10:00 a.m. and will include an introduction to the Green Industry and its career opportunities. Following the program, consisting of quick, hard-hitting presentations, Industry and Educational Representatives will be on hand to answer student questions.
- ◆ Name badges will be distributed at the conclusion of the Student Program so that you and your students may attend the Trade Show, Educational Programming and the MNLA Career Fair.
- ◆ Visit our 400-booth Trade Show representing all facets of the Green Industry from plants to equipment to computer software; a great chance for your students to gain practice in interaction skills.
- ◆ To have badges ready for you, please RSVP by **December 18** by e-mailing bhooley@mnla.org or calling Beth at 1-800-879-6652. We'll need to know the approximate number of students and chaperones you'll be bringing.

Please contact me if you have any questions or visit www.glte.org for more information.

Thank you and we look forward to your participation.
