

Please Join Us For **STUDENT DAY!**

Wednesday, January 11, 2012
DeVos Place, Grand Rapids, MI

We invite your university/school to attend and expose your students to the myriad of opportunities that the Green Industry has to offer.

- A specially designed 'Student Program' will begin promptly at 10:00 a.m. and will include an introduction to the Green Industry and its career opportunities. Following the program, consisting of quick, hard-hitting presentations, Industry and Educational Representatives will be on hand to answer student questions.
- Name badges will be distributed so that you and your students may attend the Trade Show and Career Fair.
- Visit our 400-booth Trade Show representing all facets of the Green Industry from plants to equipment to computer software; a great chance for your students to gain practice in interaction skills.
- The Career Fair is a unique opportunity for employment. Students can meet and talk with prospective firms regarding employment and internship opportunities.
- Résumés will be compiled in a Résumé Booklet that will be distributed during the GLTE and at the Career Fair as well as on a per-request basis after the GLTE. Students may submit their 1 page résumé to the MNLA office digitally by **January 4, 2012**. Email kfaasse@mnla.org.
- Please RSVP by **January 4, 2012** by emailing Kristin Faasse at kfaasse@mnla.org or by calling (800) 879-6652. We'll need to know the approximate number of students and chaperones you'll be bringing.

Please visit www.glte.org or call (800) 879-6652 for more information!

Thank you! We look forward to your participation!
